Executive Summary

Versatile "Full-Stack Creative" and Operations Manager with over 3 years of experience. Uniquely capable of managing cross-functional teams (Dev/Design) while personally executing high-fidelity designs in Figma and building pixel-perfect sites in WordPress/Elementor. Currently driving operations for a Pakistan-based development center while serving as the Remote Creative Lead for a Norwegian tech group.

Professional Experience

Creative Lead & Operations Manager

SquaresTech (On-site, Gujrat, Pakistan) | **May 2025 – Present**

Leading on-site operations for the development center while executing web development projects.

- **Operations Leadership:** Manage daily workflows for a multidisciplinary team of WordPress Developers, App Developers, and Designers, acting as the technical bridge between creative briefs and code implementation.
- **Web Development (Hands-On):** Solely designed and developed the official company websites using **Figma** (UI/UX) and **WordPress/Elementor** (Development).
 - *Delivered Project:* www.squarestech.no (Official Agency Site)
 - *Delivered Project:* www.squares.no (Digital Product Site)
- **Office Administration:** Oversee resource allocation, team productivity tools (Slack, Jira), and operational logistics.
- **Marketing Automation:** Architecting **GoHighLevel (GHL)** workflows to automate client onboarding and lead nurturing.

Remote Creative Lead (Techspace Group)

Techspace (Remote, Norway) | **May 2025 – Present**

Managed the complete visual ecosystem for the Techspace portfolio of international ventures.

- **Multi-Brand Strategy:** Solely responsible for the branding, UI/UX, and marketing assets across diverse industries owned by the group.

- **Visual Identity & UI:** Created the minimalist Nordic brand identity and user interface for the parent company.
 - *Delivered Project:* www.techspace.no (Parent Company Platform)
- **International Brand Launches:** Designed marketing collateral and social media campaigns for global subsidiaries.
 - *Delivered Project:* www.wenet.ca (Canadian ISP - Branding & Strategy)
 - *Delivered Project:* **Petrisia** (Retail Brand - Rapid turnaround logo & social kit)

Graphic Designer

Digitron Solutionz (On-site, Gujarat) | **March 2022 – March 2025**

Focused on high-volume design production and local market advertising.

- **Marketing Collateral:** Designed large-format print media (Billboards, Standees) and digital assets for social campaigns.
- **Video Production:** Edited social media reels and promotional videos using **Premiere Pro** and **CapCut**.
- **Ad Optimization:** Collaborated with marketers to A/B test ad creatives, improving engagement and CTR.

Technical Skills

Design & Multimedia

- **UI/UX (Expert):** Figma (90% Proficiency) – Full Web/App Interfaces, Prototyping, Auto-Layout.
- **Graphic Design (Expert):** Adobe Photoshop, Illustrator – Branding, Manipulation, Vector Art.
- **Print Design (Advanced):** Adobe InDesign – Brochures, Company Profiles, Layouts.
- **Video/Motion:** Premiere Pro, CapCut (Intermediate); After Effects (Basic/Supervision).

Web & Marketing Operations

- **Web Development: WordPress & Elementor (Expert)** – Full site build, Speed Optimization, Maintenance.
- **Marketing Automation: GoHighLevel (GHL)** – Building Snapshots, Workflows, and Pipelines.
- **Paid Advertising:** Meta Ads Manager (Facebook/Instagram), LinkedIn Campaign Manager.
- **Lead Generation:** Data Scraping, List Building, Cold Outreach Strategy.
